PRESENTER:
Marcellus Shale: *Economic Opportunity
or Environmental Disaster?*

Dennis P. Harkawik is a partner in the Firm's Environmental and Economic & Land Development practice groups.

For more than 30 years, Mr. Harkawik has practiced environmental law and he brings significant experience in complex environmental matters including environmental litigation, permitting and enforcement proceedings before federal, state and local regulatory agencies and courts.

He has successfully represented clients in Superfund litigation in federal and state courts and obtained necessary permits and approvals for controversial large solid and hazardous waste management facilities, public utility and energy projects, industrial facilities and commercial developments.

He received his Ch.E. and M.Ch.E. from the New York University School of Engineering and his J.D., cum laude, from the State University of New York at Buffalo Law School.

Jaeckle Fleischmann & Mugel, LLP has been certified by the New York State Continuing Legal Education Board as an Accredited Provider of continuing legal education in the State of New York for the period March 6, 2010 through March 5, 2013.
